**OPPOSITION NO. 91224129**

**MOTION ON CONSENT TO AMEND APPLICATION  
AND CONTINGENT WITHDRAWAL OF OPPOSITION**

Applicant, by its undersigned counsel, with the consent of Opposer, hereby amends its Application Serial No. 86/491,925 for the mark DEVOPSROCKSTARS, with prejudice, as follows:

International Class 042: Consulting in the field of configuration management for computer hardware and software; Software development consulting in the field of DevOps, namely, agile infrastructure operations and the continuous deployment of computer software; Technical consulting services in the fields of datacenter architecture, public and private cloud computing solutions, and evaluation and implementation of internet technology and services, none of the foregoing relating to video games.

This amendment does not require republication as the amendment of the identification of services narrows rather than broadening the scope of the application. TMEP §1505.03(b).

Opposer, with the consent of Applicant and contingent on the acceptance and entry of the above-stated amendment into the official record of the United States Patent and Trademark

Office (USPTO), hereby withdraws its opposition to registration of Application Serial No. 86/491,925 as amended.

E-mail addresses are provided herewith for Applicant and Opposer so that any order on this motion may be issued electronically by the Board:
